### **Peek at the Week**

- **October 6-10, 2025 - Homecoming Week**
- **October 8, 2025 - Eagles Academy Field Experience (Rain Garden Research and Juniper Rock Hike)**
- **October 9, 2025 - MS/HS Homecoming Pep Rally 1:50 PM @ Northwoods School**
- **October 9, 2025 Eagles Nature Playgroup meets between the library and the Little Gift House**

at 10am.

- October 9, 2025 - 7th Grade Environmental Ed. will discuss locally grown food and take part in the Great Apple Crunch.
- October 9, 2025 - Highschool Volleyball will host its last home conference game of the season. We will also be recognizing our Seniors, and acknowledging the parents for Parents Night. Please come out and show your support for these hardworking athletes!
- October 11, 2025 - MS/HS Homecoming Dance  
Middle School Dance 6:00p.m. - 8:00 p.m.  
High School Dance 8:00 p.m. - 11:00 p.m.
- E1 students have been learning about Atoms, Molecules and States of Matter in science. Students are also learning about the Solar System and the planets within the Solar System.

E1 Students have been working on place value with 2, 3 and 4 digit numbers as well as writing in Standard and Expanded form.

Students are learning how to round to the nearest 10.

Phonics groups have started. Students are learning how to tap out the sounds in a word, map it out and then spell it.

- Ms. Pierce Class - In reading, we are learning about text evidence and text features. In Writer's Workshop, we have been doing some fall writing prompts and I hung them up on my bulletin board. In math, 3rd graders have been continuing to learn about multiplication and division. 4th graders just started a new unit on area.
