SCHOOL DISTRICT OF SOLON SPRINGS

8993 E Baldwin Avenue - Solon Springs, WI 54873

Eagles Nest and Solon Springs Summer School Families,
We are aware of the current air quality alerts related to wildfire smoke coming from Minnesota and have been monitoring conditions throughout the day.

To reduce exposure, all outdoor activities scheduled for tomorrow will be moved indoors, as the forecast indicates that smoke from wildfires in northern Minnesota will continue to affect our area. District programs will continue to operate as scheduled.

Families of children with asthma, respiratory conditions, or other health concerns should consult their healthcare provider as appropriate and use their own judgment regarding attendance.

We will continue to monitor conditions and make adjustments as needed. Thank you for your understanding and partnership in keeping our students safe.
