

EAGLES ACADEMY

SOLON SPRINGS SCHOOL DISTRICT

School Supplies

(Our challenge to you, reuse and repurpose! You do not need all brand new supplies!)

- **4 Composition Notebooks** (ALEKS math, seminar, SLP, extra)
- **8- Count Tab Dividers** (for organizing project materials in 3-ring binder)
- **1 Field Journal** (These could be as simple as composition notebooks or as fancy as rite in the rain journals www.riteintherain.com)
- **Post-it Notes** (A few packs)
- **Pencils** (How many is up to you, but please have an ample supply, especially for math.)
- **Scissors and glue sticks**
- **Crayons, markers, or colored pencils** (Choose your preferred creative medium.)
- **2 boxes of tissues**
- **Water bottle** (Very important, especially for field experiences)
- Optional: **Pens**
- **1 inch, 3 ring binder** (project portfolio to curate learning)
- **1.5 inch, 3 ring binder** (literacy, learning plan, etc.)
- **Highlighters** (These are important for your research.)
- **Public library card** (in order to get a card, you need to go to the public library with a parent or guardian) **please let us know if there is anything that would prevent you from doing this*
- **Old coffee mug**
- **Positive attitude** (If you don't have one, we can try to scrounge one up for you at school.)
- **Headphones** (These will be important for working on projects and research, students should not use earbuds per District policy)

Field Supplies & Gear

(These are essential for field experiences and times that we are outside. Start looking for good sales and gears at thrift shops or websites. If you would like help acquiring gear, please contact Mrs. Hager.)

- **An old pair of comfortable tennis shoes or hiking boots** (We are going to be outside hiking often- We don't want you to buy a new pair of shoes for the first day of school and then have them look like they are a year old after the first week!)
- **Water bottle** (please bring a water bottle with a cover on it for use in the classroom and the field.)
- **Pencils** (enough to have plenty of extras if yours breaks in the field)
- **Jacket** (warm enough to cut the wind and chill on fall and spring field days)
- **Backpack** (To carry all of your field supplies! This is a requirement. Make sure you have a bag that goes on both shoulders- not an over the shoulder bag.)

- **Raincoat** (rain pants or water repellent pants are great too!)
- **Winter Coat** (insulated and waterproof)
- **Stocking Hat** (one that covers your ears)
- **Snow pants**
- **Neck Gaiter or Scarf**
- **Sleeping bag**
- **Winter Boots** (insulated and waterproof)
- **Gloves or Mittens** (insulated and waterproof for chilly, wet days)
- **Wool Socks** (that go past your ankles)
- **Baselayer for the top and bottom** (“long johns” or “long underwear”)

✓ If you have any questions or would like suggestions and ideas of where to get affordable gear, please contact Mrs. Hager. (bhager@solonk12.net)

Notes

- ✓ Be prepared to be outside often, almost daily. Everyone should have a gear to be outside, comfortably each day.
- ✓ If you have any questions or concerns about these supplies or are unable to get them, please call us at 715.378.2263 ext. 226 or email me at bhager@solonk12.net. We would be happy to help!
